

# THE GROVESIDE GRADUATE PATHWAY

OUR COMMITMENT TO YOU

Every pupil is on a special journey called the **Groveside Graduate Pathway**. It's not about tests or grades – it's about experiences, memories, and achievements. By the time you leave Groveside, you'll have a book full of moments that show who you are and what you've done here.

## **How it Works**

There are 4 colours in your journey:

- ❤️ **Responsibility** – taking ownership and being a role model.
- 💙 **Resilience** – bouncing back and trying new things.
- 💚 **Respect** – showing kindness and valuing others.
- 💛 **Future Pathways** – exploring jobs, careers, and your future.

Each time you complete an experience:

- 📷 We'll take a photo (you get to choose the one you like best!).
- 📝 You can add a note or doodle about what you did.
- 🧩 We'll add it to your Groveside folder and mark it on your tracker.

## **What You'll Get**

Your own Groveside Graduate Folder full of photos, notes, and memories.

A colourful tracker to see your progress.

At the end, your folder becomes a scrapbook of your Groveside journey, plus a Groveside Graduate Certificate to celebrate all you've achieved!

## **Remember**

This is *your* journey. You'll collect different experiences in different ways – and that's what makes your scrapbook unique.
